(4) Contributions made by members shall not be withdrawn from the Fund in whole or in part while the member remains an employee or councillor.

(5) Notwithstanding subsection 2 and section 10, where a collective agreement that is in effect on the 1st day of June, 1977 and continues in effect beyond the 31st day of December, 1977 specifically provides for an amount of contribution payable

- (a) if the absence terminates on or prior to the 31st day of December, 1977, the amount to be paid by the member shall be paid to the Fund prior to the 31st day of December, 1980; and

(5) The special contribution fixed under subsection 3 is payable by the employer or the employees or by both of them in the proportion agreed to by the employer and the majority of the employees or, failing an agreement, in equal shares.

(6) The special contribution fixed under subsection 3 is payable to the Fund on or before the last day of the month next following the month in which the amount of the special contribution is fixed by the Board, or in five equal annual instalments commencing in such month, plus interest thereon,

SUPPLEMENTARY BENEFITS

23.—(1) Every employer who has elected to participate in the System may by by-law or resolution, filed with the executive-director, enter into or amend an agreement with the Board for the payment of supplementary benefits from the Fund in respect of all or any class of the employees of the employer, or in respect of the councillors of the employer, who are or become members and a class of employees shall include employees to whom a bargaining agreement applies.

(2) Where an employer has entered or enters into an agreement under subsection 1 to provide supplementary benefits for all prior service for employees or any class thereof, the employer may provide under the agreement for optional service or any part thereof for such employees or such class of employees.

(3) Subject to subsections 7 and 8, the contributions to the Fund under a supplementary agreement may be paid by the member or the employer or both of them and the Board on receipt of such contributions shall deposit them in the Fund after making any deduction prescribed in the agreement for the payment of management and administration expenses and the amount so deposited together with interest as determined under the provisions of the agreement shall be held for the payment of supplementary benefits provided under the agreement.

(4) The factors to be used in calculating the amount of pension to be paid in respect of a contribution made under a supplementary agreement shall be the factors as determined in accordance with the provisions of the agreement.

(5) Section 18 applies to contributions paid by a member under a supplementary agreement.

(6) The form and content of a supplementary agreement shall be determined by the Board and shall provide for the supplementary benefits to be provided to a member which shall be payable under the same terms and conditions and coincident with the payment of a pension under section 12, 13, 14, 15 or 16.

(7) Where optional service is provided for under a supplementary agreement a member may establish credit for any or all of such service if, within one year from the date he becomes entitled to do so under the agreement, he elects to pay, on terms satisfactory to the employer and the Board, an amount equal to,

- (a) 11 per cent, if his normal retirement age is sixty-five; or
- (b) 13 per cent, if his normal retirement age is sixty,

of the annual rate of salary authorized to be paid to him on the most recent date on which he became employed by the employer multiplied by his years or part years of optional service together with interest at 6 per cent *per annum* on the amount so calculated, compounded annually from such employment date to the date of his election for optional service.

(8) A member who does not make an election under subsection 7 within the time limit specified may elect to establish credit for any or all optional service at any time before ceasing to be a member and the relevant provisions of subsection 7 apply with necessary modifications, except that the annual rate of salary authorized to be paid to him on the most recent date on which he became employed by his employer shall be deemed to be equal to the annual rate of salary authorized to be paid to him at the time when he makes the election.

(9) A member shall not be given credit in the Fund for optional service for which he is entitled to credit in his previous employer's pension fund other than the System unless he withdraws his contributions from such pension fund or arranges to have the funds representing his pension credit in such pension fund transferred to the Fund and any amount so transferred shall be applied on account of the amount required to be paid by the member under subsection 7 or 8.

(10) Where a member elects to establish credit in the Fund for optional service with his employer or any other employer eligible to participate in the System and has elected a deferred pension in accordance with section 15 with respect to such service, an amount equivalent to twice his contributions made in respect of his deferred pension calculated in accordance with section 12 plus interest as determined by the Board or the amount representing the present value of any deferred supplementary or prior service pension shall be applied on account of the amount required to be paid by the member under subsection 7 or 8.

(11) Notwithstanding subsection 9, where the member is unable to withdraw his funds from his previous employer's pension plan or fund other than the System, or is unable to arrange to have the funds representing his pension credits in such

pension plan or fund transferred to the Fund, the member may be given credit in the Fund for optional service offset by the annual amount of pension payable to the member under such pension plan or fund, and the present value of such annual amount of pension as determined by the Board on the advice of the actuary shall be applied on account of the amount required to be paid by the member under subsection 7 or 8.

(12) An early retirement pension in excess of the amount that is actuarially equivalent to his normal retirement pension shall not be payable to a member under a supplementary agreement unless,

- (a) such early retirement occurs after completion of thirty years of service with the employer;
- (b) if the supplementary agreement so provides, such early retirement occurs after completion of thirty years of service comprising service with the employer and credited service with another participating employer, or
- (c) the member is declared by the employer to be unable to perform the duties of his employment due to mental or physical incapacity.

(13) The amount of pension payable to a member under this section shall not exceed an amount that, together with any other pension payable to the member under this Regulation or under an approved pension plan, is equal to the maximum pension payable to an employee under subsection 4 of section 250 of *The Municipal Act*.

(14) A supplementary agreement in force on the 31st day of December, 1977 shall be deemed to be amended as of the 1st day of January, 1978, until such time as it is amended in fact, to eliminate supplementary benefits duplicated by a benefit otherwise payable under this Regulation to a member covered under such an agreement.

(15) Member contributions shall cease to be made to the Fund under a supplementary agreement in effect on the 31st day of December, 1977 other than contributions made for service prior to the enrolment of the member in the System or towards the provision of a benefit under subsection 12.

(16) The amount of accumulated contributions of a member, referred to in subsection 15, plus interest calculated in accordance with section 18, shall be placed to the credit of the member in the Fund in the form of a benefit determined by the Board on the advice of the actuary payable in addition to and under the same terms and conditions as any other benefit payable under this Regulation, to or in respect of a member unless the amount of such contribution and interest is \$250 or less in

which case the amount placed to the credit of the member shall be refunded to the member.

(17) A member may revoke his credit in the Fund under subsection 16 and,

- (a) transfer such credit to a registered retirement savings plan of the member; or
- (b) with the agreement of the employer, apply such credit to the contributions otherwise required by the member under section 9 or under this section. O. Reg. 936/77, s. 23.

BY-LAW NO. 77

TO ENACT:

A By-law to Change Street Names

WHEREAS paragraph 97 of subsection 1 of section 354 of *The Municipal Act*, R.S.O. 1970, Chapter 284 does provide that a municipality may by by-law change the names of highways and shall state the reason therefor.

NOW THEREFORE the Council of The Corporation of the City of Hamilton enacts as follows:

1. The names of the following highways shall be changed as follows for the reason set forth:

- (a) From Anthony Drive to Elmira Drive, all of Anthony Drive extending northeast from Upper Horning Drive for a distance of approximately 505 feet, *for the reason* that it is desirable to eliminate confusion between Anthony Drive and existing Anthony Street and Anthony Court;
- (b) From Nebo Road to Greenock Road, that part of Nebo Road extending north from Rymal Road East to Stone Church Road East for a distance of approximately 3,300 feet, *for the reason* that it is desirable to avoid re-numbering the properties located along the established section of Nebo Road which would be required in order to accommodate the recent extension of Nebo Road from Rymal Road East to Stone Church Road East.

2. A copy of this By-law certified under the hand of the City Clerk and the seal of The Corporation of the City of Hamilton and the Judge's Certificate shall be registered in the Registry Office for the Registry Division of Wentworth.

CITY OF OTTAWA

CHANGE OF NAME OF A PART OF FLANNERY DRIVE TO MOONEY'S BAY PLACE

TAKE NOTICE that His Honour Judge Charles H. Doyle has appointed Tuesday, the 21st day of February, 1978, at 11.30 o'clock in the forenoon, at the Chambers of the presiding Judge in the Court House, 2 Daly Avenue, Ottawa, as the day, hour and place for considering a proposed by-law of The Corporation of the City of Ottawa changing the name of a part of Flannery Drive to Mooney's Bay Place, for hearing those advocating and those opposing such change and any other person as His Honour may deem fit.

Reason For Change: As the part of Flannery Drive commencing at Riverside Drive now dead-ends at a proposed cul-de-sac bulb and as it is proposed to extend the other part of Flannery Drive from Springland Drive to Springland Drive, the name change is necessary to avoid duplication and confusion.

IN THE MATTER OF the Ontario Highway Transport Board's Order, dated September 30, 1977.

NOTICE OF MOTION

TAKE NOTICE that an application will be made on behalf of Diamond Transportation System, Inc. before the Ontario Highway Transport Board at its

Chambers in Britannica House, 151 Bloor Street West, 10th Floor, Toronto, on such day at such time as the Chairman of the Board may direct for an Order directing:

1. a rehearing in whole of the Review of Diamond Transportation System Inc., which originally was held on August 22, 1977 and which resulted in an Order dated September 30, 1977, by a new panel of the Board, which had heretofore not been seized with the said Review.
2. the staying of the decision until a new review is held, upon the following grounds:
 - (a) the said decision was against the evidence and the weight of the evidence.
 - (b) the sitting panel in its Order in considering the terminology of the licence failed to consider the dates that the authorities were granted.
 - (c) the sitting panel in its Order failed to consider that the parts of the licence referring specifically to named shippers, which were mentioned in the Order, concerned movements from Ontario to points in the United States.
 - (d) the sitting panel failed to consider the evidence adduced by the Reviewee showing movements of the products being questioned over a period of time and the detrimental effect the decision would have on the shippers and receivers presently using Diamond Transportation System, Inc.
 - (e) upon such further and other grounds as Counsel may advise.

AND TAKE NOTICE THAT in support of this Notice of Motion will be read the Reasons and Decision, excerpts from the transcripts of the said proceedings, exhibits filed with the Ontario Highway Transport Board, argument by Counsel on behalf of the Reviewee and such further and other material as counsel may advise and this Honourable Board may permit.

Treasurer's Sale of Lands for Taxes

Each year, municipal and county treasurers compile a list of properties against which taxes are outstanding for at least two successive years, which is a period sufficient to permit sale of the owner's assets to reimburse the municipality. These lists are submitted by the municipal representative to the Ministry of Government Services for publication in THE ONTARIO GAZETTE.

The Gazette is published every Saturday. Tax sale lands are included only in the issue of the first Saturday of each month. Each property is described so that it may be properly identified. Also shown are the amount of tax arrears and costs, and the date, time and place where the sale will be held, which is usually in a public building in the locality. Sales are held three months or later following the date of publication in the Gazette and are subject to a reserve bid equal to the amount of tax arrears and costs.

The previous owner may by law redeem the property any time within one year and one day after the date of tax sale by paying to the municipality all arrears plus costs levied. Where redemption occurs, the municipality reimburses the purchaser of tax sale lands for the amount paid at the sale plus an additional amount to be determined in each case.

If the land is not redeemed in the manner described above, the purchaser at sale, receives from the municipality a tax deed or certificate which should be registered in the appropriate Land Titles or Registry Office. A purchaser should ascertain from either of these offices, information relating to any of the charges or liens against the land and consider the advisability of employing the services of a solicitor to determine the extent, if any, of his liability.

The foregoing applies to tax sale lands which were privately owned. In the event the land is the property of the Crown as represented by the Province of Ontario, only the improvements on the property, such as buildings, may be sold. In this case, an intending purchaser should for his own protection ascertain from the local office of the Ministry of Natural Resources whether or not the land or any part can be purchased or leased from the Ministry. If it cannot, then the purchaser of the improvements would be required to remove them from the land.

In some cases, land advertised for sale in the Gazette may be bought by the municipality, or the owner, prior to sale, may pay the tax arrears and costs. Where this occurs, the land is removed from the tax sale lists.

CORPORATION OF THE COUNTY OF RENFREW

To Wit:

BY VIRTUE OF A WARRANT issued by the Warden under the seal of the Corporation of the County of Renfrew, and to me directed, bearing the date of the 3rd day of January, 1978, commanding me to levy upon and sell the lands mentioned in the following list for arrears of taxes and costs due thereon, I hereby give notice that unless such arrears of taxes and costs are sooner paid, I shall sell by public auction the said land at the County Administration Building, in the City of Pembroke, on Saturday, May 27th, 1978 at 10.00 a.m. All of the said lands are patented.

If an adjourned sale is necessary it will be held at the same place and hour on Monday, the 5th day of June, 1978.

E. M. FRASER,
Treasurer.

To claim the Ontario Tax Credits:

- ensure that all official receipts for Ontario Political Contributions are attached to this form. See below for property tax and rental receipts.
- file a completed Individual Income Tax Return, even if you have no taxable income but are claiming Ontario Property, Sales or Pensioner Tax Credits.

Basic Rules and Instructions for the Property, Sales and Pensioner Tax Credits

Property Tax Credit

The Ontario Property Tax Credit may be claimed by all individuals resident in Ontario on 31st December, 1977, *except*

- persons under age 16 at the end of 1977, and
- persons under age 21 at the end of 1977, who live at home and are claimed as dependants.

The property tax credit must be claimed by the spouse having the higher taxable income.

Only the property tax or rent paid in respect of your *principal residence* may be included in determining occupancy cost. Property tax or rent paid in respect of a second residence or cottage must not be included in occupancy cost.

Receipts

Receipts for 1977 rental payments or property tax bills are not required to be filed with the return but must be retained for examination on request. Receipts *must* be submitted for rentals and property tax bills applicable to prior taxation years which were paid in 1977.

Student Residence

Where the principal residence of an individual who is a full-time post-secondary school student is in a residence (prescribed by Regulations) of an Ontario university or college, the occupancy cost in respect of such residence is limited to \$25.

Sales Tax Credit

The Ontario Sales Tax Credit may be claimed by all individuals resident in Ontario on 31st December, 1977, *except*

- persons under age 16 at the end of 1977, and
- persons claimed as dependants for income tax purposes by any other person resident in Ontario.

Pensioner Tax Credit

The Ontario Pensioner Tax Credit may be claimed by all individuals resident in Ontario on 31st December, 1977, who are age 65 or over at the end of 1977, *except* for a married couple both of whom are age 65 or over at the end of that year living in the same principal residence; in which case only the spouse with the higher taxable income is entitled to claim this credit.

Where both spouses are 65 or over and neither spouse has a taxable income, the Pensioner Tax Credit must be claimed by the same spouse who is claiming the Property Tax Credit, except when no Property Tax Credit is being claimed; in which case either spouse, but not both of them, may claim the Pensioner Tax Credit.

Where only one spouse is 65 years of age or over, that spouse may claim the credit.

Inquiries:

Telephone the Ontario Ministry of Revenue information centre.

- Outside Metropolitan Toronto: dial "0" and ask the operator for Zenith 8-2000 (free of charge).
- Metropolitan Toronto local-calling area: dial 965-8470.

Principal Residence

'Principal residence' means the housing unit in Ontario which was ordinarily occupied or inhabited during the 1977 taxation year. Principal residence includes a temporary residence such as a hotel room which was occupied continuously by the individual for all or part of the year and also includes a mobile housing unit such as a trailer which was used as the principal residence of the individual. For persons who move, the principal residence includes all housing units in Ontario occupied and inhabited by the person during the taxation year. Annual property taxes or annual rent must be prorated to cover only the period of occupancy as a principal residence.

Occupancy Cost

'Occupancy cost' means

- the total property tax paid in respect of the principal residence for the taxation year (*do not include mortgage principal and interest payments*), or
- 20% of the total rent (excluding any amount paid for meals or board) paid in respect of the principal residence for the taxation year.

Spouse Having the Higher Taxable Income

Where husband and wife reside in the same principal residence, the Ontario Property Tax Credit must be claimed by the spouse having the higher taxable income, regardless of the registered ownership of the principal residence.

Marriage in the Year

In calculating occupancy cost where a marriage has occurred during the year, the claimant *who is the spouse with the higher taxable income* may include all of the following:

- the rent or property tax paid for the part of the year prior to marriage,
- the spouse's rent or property tax paid for the part of the year prior to marriage, and
- the rent or property tax paid during the period of marriage.

Death in the Year

The legal representative of the deceased can file a claim for a Property Tax Credit based on the property tax or rent paid by the deceased or his spouse *prior to his death*. Sales and Pensioner Tax Credits can be claimed as applicable.

The surviving spouse may, if otherwise qualified on the last day of the taxation year claim Ontario Tax Credits as follows:

- Property Tax Credit—regardless of any Property Tax Credit claimed on behalf of the deceased person.
- Sales Tax Credit—if not claimed as a dependant in the return of the deceased person.
- Pensioner Tax Credit—if over 65 years of age.

Pour demander les crédits d'impôt de l'Ontario :

Prenez soin de joindre à cette formule tous les reçus officiels se rapportant aux contributions politiques (Ontario). Voyez ce qui est dit ci-dessous au sujet des reçus d'impôts fonciers et de loyers.

— Vous devez remplir et produire une déclaration d'impôt sur le revenu des particuliers lorsque vous demandez des crédits d'impôts fonciers, de taxe sur les ventes et d'impôt aux pensionnés de l'Ontario, même si vous n'avez aucun revenu imposable.

Règles et indications générales concernant les crédits d'impôts fonciers, de taxe sur les ventes et d'impôt aux pensionnés

Crédit d'impôts fonciers

Le crédit d'impôts fonciers de l'Ontario peut être demandé par tous les particuliers qui étaient résidents de l'Ontario le 31 décembre 1977,

sauf

- a) les personnes âgées de moins de 16 ans à la fin de 1977 et
- b) les personnes âgées de moins de 21 ans à la fin de 1977, qui habitent à la maison et sont déclarées à charge.

Le crédit d'impôts fonciers doit être demandé par le conjoint ayant le revenu imposable le plus élevé.

Pour déterminer le coût d'habitation, vous ne devez compter que l'impôt foncier ou le loyer de votre **résidence principale**. Vous ne pouvez faire entrer dans le coût d'habitation l'impôt foncier ni le loyer d'une deuxième résidence ou d'un chalet.

Reçus

Vous n'êtes pas tenu de produire avec la déclaration les reçus de loyers ou d'impôts fonciers pour 1977, mais vous devez pouvoir les produire sur demande. Cependant, vous **êtes tenu** de produire les reçus de loyers et d'impôts fonciers payés en 1977 qui se rapportent à des années d'imposition antérieures.

Résidence d'étudiants

Lorsque la résidence principale d'un particulier qui poursuit à plein temps des études de niveau post-secondaire se trouve dans un logement (prescrit par les Règlements) tenu par une université ou un collège de l'Ontario, le coût d'habitation à l'égard de ce logement est limité à \$25.

Crédit de taxe sur les ventes

Quiconque résidait en Ontario le 31 décembre 1977 peut demander le crédit de taxe sur les ventes de l'Ontario, **sauf**

- a) les personnes âgées de moins de 16 ans à la fin de 1977 et
- b) les personnes déclarées à charge aux fins de l'impôt sur le revenu par tout autre résident de l'Ontario.

Crédit d'impôt aux pensionnés

Toute personne qui était âgée de 65 ans ou plus à la fin de 1977 et qui résidait en Ontario le 31 décembre 1977 peut demander le crédit d'impôt aux pensionnés de l'Ontario, **sauf** que, dans le cas où le mari et la femme étaient âgés tous deux de 65 ans ou plus à la fin de ladite année et habitaient la même résidence principale, seul le conjoint ayant le revenu imposable le plus élevé peut demander ce crédit.

Lorsque les deux conjoints sont âgés de 65 ans ou plus et qu'aucun n'a un revenu imposable, le crédit d'impôt aux pensionnés doit être demandé par le conjoint qui demande le crédit d'impôts fonciers, mais si aucun n'a demandé le crédit d'impôts fonciers, le crédit d'impôt aux pensionnés peut être demandé par l'un ou par l'autre, mais non par les deux. Lorsqu'un seul des conjoints est âgé de 65 ans ou plus, c'est ce conjoint qui peut demander le crédit.

Résidence principale

La «résidence principale» désigne le logement situé en Ontario que l'on a habituellement occupé ou habité pendant l'année d'imposition 1977. Elle comprend une résidence

temporaire, par exemple une chambre d'hôtel que le particulier a occupée de façon continue pendant la totalité ou une partie de l'année, et comprend également un logement mobile, comme une roulotte, lui ayant servi de résidence principale. Dans le cas d'une personne qui déménage, la résidence principale comprend tous les logements en Ontario qu'elle a occupés ou habités pendant l'année d'imposition. On doit faire un calcul proportionnel du montant annuel des impôts fonciers ou du loyer afin de ne compter que la période pendant laquelle un logement a servi de résidence principale.

Coût d'habitation

Par «coût d'habitation», il faut entendre

- la totalité des impôts fonciers versés à l'égard de la résidence principale pour l'année d'imposition (**à l'exclusion des paiements de capital et d'intérêts sur hypothèque**), ou
- 20% du loyer total (à l'exclusion de tout montant payé pour les repas ou la pension) versé à l'égard de la résidence principale pour l'année d'imposition.

Conjoint au revenu imposable le plus élevé

Lorsque les conjoints habitent la même résidence principale, le crédit d'impôts fonciers et (ou) le crédit d'impôt aux pensionnés de l'Ontario doivent être demandés par le conjoint au revenu imposable le plus élevé, quel que soit celui qui détient le titre de propriété de la résidence principale.

Mariage au cours de l'année

Pour calculer le coût d'habitation lorsqu'un mariage est survenu au cours de l'année, le conjoint qui demande le crédit (**celui qui a le revenu imposable le plus élevé**) peut inclure tout ce qui suit:

- le loyer ou l'impôt foncier payé pour la partie de l'année avant le mariage,
- le loyer ou l'impôt foncier payé par son conjoint pour la partie de l'année avant le mariage,
- le loyer ou l'impôt foncier payé depuis le mariage.

Décès au cours de l'année

Le représentant légal de la personne décédée peut produire une demande de crédit d'impôts fonciers suivant le montant des impôts fonciers ou des loyers payés par la personne décédée ou son conjoint **avant le décès**. Les crédits de taxe sur les ventes et d'impôt aux pensionnés peuvent être demandés s'il y a lieu. Le conjoint survivant peut, s'il y est autrement admissible, demander les crédits d'impôt de l'Ontario le dernier jour de l'année d'imposition de la façon suivante:

- Crédit d'impôts fonciers—sans égard à tout crédit d'impôts fonciers demandé au nom de la personne décédée.
- Crédit de taxes sur les ventes—si le conjoint survivant n'a pas été désigné comme personne à charge dans la déclaration du contribuable décédé.
- Crédit d'impôt aux pensionnés—si le conjoint survivant est âgé de plus de 65 ans.

1.—(1) In this Regulation,

(a) "current cost of operating" means, in respect of a board, its current cost of operating for 1978 as defined in section 1 of Ontario Regulation 65/78 except that, in respect of a board appointed under section 68 of the Act, the current expenditure for 1978 for all furniture and equipment and all debt charges as defined in section 1 of such Regulation are excluded therefrom;

(b) "pupil accommodation charge" means pupil accommodation charge as defined in section 1 of Ontario Regulation 65/78.

(2) Where a board of education provides instruction for pupils in respect of whom fees are receivable, the fees shall be calculated under this Regulation as if the board of education were a public school board and a secondary school board. O. Reg. 62/78, s. 1.

2.—(1) Subject to subsection 2 and to sections 3 and 6, where a board provides instruction for one or more pupils whose fees are receivable from another board or from Canada, the fees shall be calculated by,

(a) subtracting from the current cost of operating of the board that provides the instruction the grant payable to such board under subsections 1 and 2 of section 10 of Ontario Regulation 65/78, and dividing the difference so obtained by the average daily enrolment for 1978 of such board; and

(i) the amount determined under clause a, and

3. Where a board appointed under section 68 of the Act operates a school in a centre for the treatment of cerebral palsy, a crippled children's treatment centre, a hospital or a sanatorium and provides instruction therein for pupils whose fees are receivable from any source, the fee for such a pupil shall be calculated by,

(a) adding to the current cost of operating of the board for the year in which it provides the instruction, the portion approved by the Minister for grant purposes of the expenditure for such year for the transportation of pupils, and deducting from the total thereof the general legislative grants payable to the board for such year except a grant that is equal to the cost of education;

(b) dividing the amount determined under clause a by the sum of the days on which each pupil is enrolled at the school; and

(c) multiplying the amount determined under clause b by the number of days for which the pupil whose fee is being calculated is enrolled at the school. O. Reg. 62/78, s. 3.

5. Notwithstanding section 4, where in any year a board provides instruction for a pupil in respect of whom fees are required to be paid and whose parent or guardian does not reside in Ontario, the fees payable by or on behalf of the pupil shall be such as the board may prescribe but, subject to subsection 4 of section 6, shall not exceed the product obtained by multiplying,

- (a) one-tenth of the sum of the quotient determined under clause a of subsection 1 of section 2 and the pupil accommodation charge for the pupil,

by,

- (b) the number of months during which the pupil is enrolled in such year in a school operated by the board that provides the instruction. O. Reg. 62/78, s. 5.

(3) Subsection 2 applies with necessary modifications in the case of secondary school pupils.

(4) Where a pupil to whom section 4 or 5 applies is registered in a high-cost program, the maximum fees payable in respect of such pupil shall be determined by multiplying the maximum fees under section 4 or 5, as the case may be, by a factor to be agreed upon between the board that provides the instruction and the party from whom the fees are receivable.

(5) Where under this section the board that provides the instruction and the other board or party concerned cannot agree upon a factor, the factor shall be determined by three arbitrators, one arbitrator appointed by the board that provides the instruction, one arbitrator appointed by the board from which or the party from whom the fee is receivable and one arbitrator appointed by the Minister, and the decision of the arbitrators or a majority of them is final and binding upon the board that provides the instruction and the other board or party concerned. O. Reg. 62/78, s. 6.

7.
